

## **Alternate Testing Options**

The CPEN exam will not be available at this time as a paper and pencil administration at hospital or alternate hospital arranged sites but is available via computer based testing at AMP's 170 testing centers, which serve 155 unique cities across all 50 states. AMP provides secure online application for the computer based CPEN exam and also provides candidates with immediate score results.

The BCEN and PNCB currently offer the CPEN exam via paper and pencil administration at the Annual Conference of the Emergency Nurses Association (ENA). To apply for this year's offering in September 2010, please go to the "Extra Information" section under the CPEN exam at [www.goamp.com](http://www.goamp.com). Please note that the application deadline is August 20, 2010.
