

Primary Care CPNP Exam Application Checklist

Create an account at www.pncb.org . Click Log in on the top toolbar, then click "New Customer? Click Here" to create your account. Or sign in to your existing account at www.pncb.org . Complete, pay for, and submit your CPNP-AC Exam Application. To confirm completion, look for your email receipt. A successfully submitted exam application will be in the "Staff Review" submittal status. Order your transcript(s) √ Transcripts must be sent directly from the registrar's office of your educational institution(s) to PNCB or through a transcript service such as National Student Clearinghouse or Parchment. √ The transcript must include: □ The Degree Awarded □ The Bole and Population Focus □ The Role and Population Focus □ The 3Ps are Advanced Practice Physiology/Pathophysiology/Advanced Practice Pharmacology and Advanced Practice Health /Assessment. If earned in a separate advanced practice educational program, PNCB must receive transcripts from each program. √ Ask that your transcript be sent electronically to transcripts@pncb.org or sent to our mailing address. Did, or are you, completing a post-graduate primary care PNP certificate? If so, PNCB must also receive an official transcript from your MSN program. Did, or are you, completing a post-master primary care DNP program? If so, PNCB must also receive an official transcript from your MSN program.
