

EXAM FACTS

Explore the latest stats related to your upcoming exam. PNCB wishes you much success in testing!

#1

APPLICANT ISSUE?

Name changes! Contact PNCB if you have a name change. Your application name must match required IDs for test center entry.

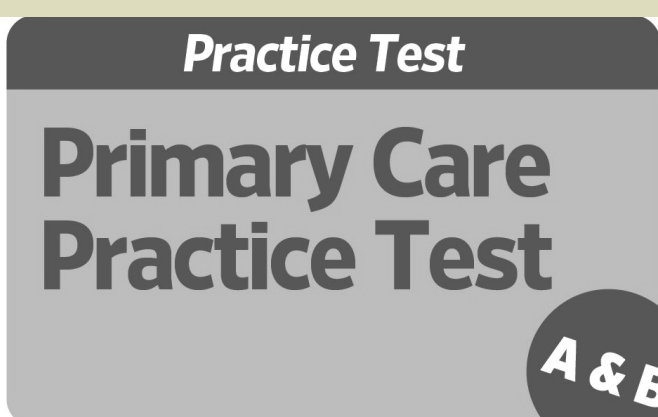

92%

PASS RATE FOR 2016 PNP graduates had great success in passing the CPNP-PC exam on their first attempt.

~1 WEEK

TO PROCESS APPLICATIONS

We review applications faster than any other board. Your 90-day testing window arrives quickly after you submit your completed application, which includes your final transcript.

2 PRACTICE TESTS

TO HELP YOU PREPARE PNCB's practice tests, written by CPNP-PC subject matter experts, are affordable. Plus you get in-depth rationale for correct answers.

<3 WEEKS

TO RETEST

Unlike other boards, PNCB doesn't make you wait 60 days to apply to retest if you don't pass. Be sure to create a new strong study plan based on your score report. Limit 3 retests per year.

2 WEEKS

TO SBON VERIFICATION

PNCB notifies state boards promptly. No need to send us any state paperwork. You'll be on your way to PNP licensure, and your new career, faster!

The majority of primary care graduates choose our CPNP-PC certification for name recognition, outstanding customer service, and unparalleled support for the PNP profession.

See our website for study resources to help you prepare. Then once you're practicing, use our free posters to inform families about your role in their child's health care: www.pncb.org
