Dear PNP Faculty Colleagues,

Are you attending the 2022 NAPNAP Conference? If so, please remember to join us at the PNCB Program Resources meeting:

Date: March 24, 2022

Time: 5:00 p.m. – 6:30 p.m.

Where: Hilton Anatole – Monet (Mezzanine Level)

If you miss this information-sharing session with us, ***you will still receive the presentation slides*** as we have provided in the past. PNCB's Program Resources meeting is an affiliate meeting held during NAPNAP, and livestreaming is not available.

Please look for our upcoming April 1, 2022 email with the above information.

We encourage you to share this email and all other PNCB faculty communications with your PNP faculty. They are also invited to attend the PNCB Program Resources meeting.

To help make PNCB faculty communication more accessible, PNCB created a [new faculty newsletter web page](#). We will link quarterly newsletters to this page and post information that faculty will find helpful.

Do not hesitate to contact me if you have any questions.

Sincerely,

Maggie Jones
