

Pediatric Learning Solutions

A clinical education program exclusively for pediatric professionals

The following Pediatric Learning Solutions courses align to focus areas of the CPN® Exam Content Outline. These courses equip candidates with the foundational knowledge necessary to approach the Certified Pediatric Nurse (CPN®) exam with confidence. Go to the [Pediatric Nursing Certification Board](#) site for more information on the CPN Exam.

Pediatric Learning Solutions' course alignment with CPN® Exam Content Outline

NOTE: Effective through November 10, 2017. New alignment document will be available in September.
