PNCB 2022-2027
STRATEGIC PLAN

STRATEGIC GOALS:

GOAL 1
Advance competence and capabilities of nursing professionals who care for children

Provide industry-leading accessible certification and education products and services to meet market demands
- Advance pediatric nurse competencies including subspecialties through certification, education, and other development programs
- Develop new knowledge assessment program to support competency development in the care of pediatric patients
- Assess and identify national and international market demands and opportunities for PNCB products and services
- Explore new technology innovations for user learning

GOAL 2
Cultivate a diverse, equitable, and inclusive PNCB community to enrich the PNCB experience

Develop a culture of diversity and inclusion that fosters a sense of purpose, provides fulfillment, and supports a growing community of pediatric professionals
- Define value proposition and commitment for employees, certificants, and other key stakeholders
- Develop policies, processes, and practices that advance diversity, equity, and inclusion and create a culture of engagement, satisfaction, and resiliency
- Engage stakeholders in two-way communications highlighting ongoing DEI commitment and progress
- Develop measures of representation achieved across the PNCB community and in product and service offerings

GOAL 3
Establish PNCB as a leading voice in pediatric nursing practice

Strengthen and elevate the profession’s importance among key stakeholders and the general public
- Expand PNCB community participation at national forums and contributions to publications
- Grow strategic partnerships to advance pediatric nursing and interests
- Invest in partnership with IPN to lead and elevate pediatric interests
- Develop leaders to represent pediatric interests among key audiences
- Expand PNCB’s influence in global markets

PNCB promotes optimal outcomes in global pediatric health by providing certification services that validate specialized knowledge and continuing competence in pediatric nursing.

Pediatric Nursing Certification Board certification demonstrates to patients and families, employers, and the public that a nursing professional has a deep commitment to the highest standards of care for children, adolescents, and young adults.
