Request to Retire Certification and Use the Retired Designation Credential

Please complete the below information to request retirement of your PNCB certification and use of the retired designation credential (CPNP-Retired, CPN-Retired, PMHS-Retired). This form must be signed and dated. During recertification enrollment, all certifications will be retired as of 2/28.

Personal Information

Last Name First Name MI Last 4 of SSN

Street Address

City State Zip Code Country

Home Phone #

Email

Please enter initials below as applicable:

_____ I confirm that I currently hold an active, unencumbered RN license.

_____ I am a CPNP permanently retiring from active employment in advanced practice nursing and do not intend to use the credential again.

_____ I am a CPN or PMHS permanently retiring from active employment in nursing and do not intend to use the credential again.

_____ I understand that I may use the retired designation on business cards, resumes, CVs and signature lines for emails, speaker bios, or letters of recommendation. **I cannot use the retired designation on professional name badges, patient charts, official forms, (e.g. disability, expert testimony), or prescriptions or in any way that would misrepresent certification status.** If I hold advanced practice certification linked to APRN licensure, I understand that this designation cannot be used to meet licensure requirements for APRN licensure.

_____ I understand that if my certification is retired, and I desire to regain certification within one year, I must meet PNCB's Reinstatement Policy requirements. If I desire to regain certification after one year all current exam eligibility requirements must be met and I must successfully pass the certification exam.
