

Thinking about certification?

Over 95% of all pediatric nurses who certify choose to become a Certified Pediatric Nurse — CPN — through PNCB.

Why Certify?

Certification can offer: a personal sense of **accomplishment**... increased **confidence** in clinical skills... enhanced collaboration with members of the healthcare team... **recognition** of your expertise from employers, colleagues, patients, and families... potential for **advancement** and financial benefits... evidence of professional **growth**... national validation of specialized expertise... linkages to greater **job satisfaction**. Visit www.pncb.org for references on this research.

Why PNCB?

At PNCB, our focus is only pediatrics. Strengthening care for **children** is at the heart of everything we do. Professionals **like you** serve on our board of directors and as staff. We understand your needs and those of your patients. Our exams are considered **the gold standard** and are backed by strong job analysis research. This keeps exams relevant and up to date. Our exams are **rigorous** and **respected**, designed to validate your expertise and critical thinking skills. Recertification is annual to keep the process **affordable** and manageable for you. And we've been offering CPN certification **since 1989**.

We encourage you to select the exam that will best attest to **your knowledge and skills** as an expert pediatric nurse, and we truly believe that our certification is overwhelmingly sought because of the **value** and **validation** it offers to your colleagues. PNCB certification is endorsed by the Society of Pediatric Nurses (SPN), the National Association of Pediatric Nurse Practitioners (NAPNAP), and the American Academy of Pediatrics (AAP).
